DEPARTMENT OF SOCIAL WORK

VISION

Our vision is to inspire and influence practice, leadership and the wider culture of social work with adults, through embedding the core values of the profession in the services we offer.

MISSION

We prepare skilled and caring social work professionals to be critical thinkers and agents of positive change through innovative social work education. Guided by a person-in-environment framework, a global perspective, respect for human diversity, and knowledge based on scientific inquiry, the purpose of social work is actualized through its quest for social and economic justice, the prevention of conditions that limit human rights, the elimination of poverty, and the enhancement of the quality of life for all persons, locally and globally.

ABOUT THE DEPARTMENT

Kuniya College of Arts and Science, affiliated with Kannur University, offers a dynamic Department of Social Work committed to providing high-quality, comprehensive education in Social Work field. Our programs are designed to ensure academic excellence with the competency in multi-disciplinary approach and ready for employment at national and international levels. The Department looks for individuals who inherently possess a commitment to bring about positive change in society and provides them with the right amount of training and orientation to fulfill their deeds in the most effective manner. The academic program is rigorous so as to enable students with an appropriate attitude and knowledge to effectively address social problems in the world. The BSW program establishes the foundation graduates need to effectively address the social problems of today's world. The department has a maximum student intake of 40 and is supported by highly qualified faculty members with research degrees from various national and international universities.
