

Gateway To Your Future  
**Kuniya College**  
of Arts and Science  
Affiliated to Kannur University

BSc  
**PSYCHOLOGY**

## VISION

To cultivate a community of insightful professionals and scholars in psychology, fostering academic excellence, research aptitude and ethical practice. We aim to equip students with the knowledge and skills to address contemporary psychological challenges and contribute meaningfully to society.

## MISSION

- Provide innovative and research-driven education in psychology.
- Develop critical thinking, analytical skills and scientific temperament among students.
- Promote mental health awareness and well-being through academic and outreach programs.
- Encourage ethical and culturally sensitive psychological practice in diverse settings.
- Nurture future leaders in psychology who can contribute to various professional and academic domains.

## ABOUT THE DEPARTMENT

The Department of Psychology at Kuniya College of Arts and Science, affiliated with Kannur University, offers dynamic curriculum designed to explore human behavior, cognition and emotions. Our department is committed to academic excellence, research-driven learning and professional preparedness, shaping students for careers in clinical psychology, counseling, organizational psychology, education, research, health psychology, forensic psychology and sports psychology.
